Dear Participant of the 6th International Conference on Greek Research,

Thank you for your contribution to the Greek Studies conference this year. I am writing to invite you to submit a version of the paper you presented to the conference for the refereed conference proceedings. Your paper should be submitted by the end of January 2006. We may not accept papers submitted after this date. Please submit two hard copies of your paper or one electronic form and one hard copy.

- Papers written in Greek to Associate Professor Michael Tsianikas, Department of Languages, Flinders University, GPO Box 2100 ADELAIDE SA 5001 AUSTRALIA.
- Papers written in English to Dr George Couvalis, Department of Philosophy, Flinders University, GPO Box 2100 ADELAIDE SA 5001 AUSTRALIA.

Please keep in mind that the Greek Studies volume is a volume of conference proceedings, not a narrowly focused journal that publishes specialist papers. We expect to receive more than 70 papers. As the volume cannot be too large, we will not accept papers that are more than 3,500 words including endnotes. Word limit for the abstract is 150 words. The abstract must be in English.

All papers must be submitted in the format attached. In addition, one photograph or other image may be submitted with the paper. Conference delegates should note that referees and editors do not have time to make suggestions for modifying papers. Papers which are not as polished as possible may well be rejected. We suggest that you show your paper to your colleagues before submitting it for publication.

Queries about papers in Greek should be sent to Michael Tsianikas on michael.tsianikas@flinders.edu.au. Queries about papers in English should be addressed to george.couvalis@flinders.edu.au. Please do not send any queries to Mary Skaltsas.

Yours sincerely

Associate Professor Michael Tsianikas
